Representing; NGA WHANAU O HOROTUTU ME TAPUTAPUTA O PAHI
Wish to be a party to the following proceedings;

RC 2061019 - CON 20060545411
Paihia Waterfront Development [Far North Holdings Ltd]

IN THE MATTER OF ; Notice to the Environment Court of appeal and enquiry on
decision or recommendations on application concerning restricted coastal activities and
resource consents,

BETWEEN The Director General of Conservation
Appellant / Referrer

AND Northland Regional Council

AND Far North Holdings Ltd

I am a person who has an interest in the proceedings that is greater than the public in general in this case that I represent the owners to the Island called KUIA RONGOURU and that I am recognised by Local Authorities as a kaitiaki within the meaning of the RMA 1991 and that I am very well known as a historian and a holder of the Whakapapa of this area and that there was no recognition of our cultural values / waahi tapu concerns / environmental impact and our foreshore and seabed issues in relation to tourism and profit bearing business by private entity, other than the day to day existence of the tangata whenua.

I made a submission [with support] in the previous proceedings on the same matter.

I am interested in all the proceedings , especially so in the matters previously explained.

I support the relief sought by the appellant on the grounds that it is complimentary in part towards the protection of our heritage [prehistoric and the coming of the pakeha] waahi tapu values and indeed cultural sensitivity.and finally the protection of our kaimoana within the meaning of sustainable resources and the foodchain, ecosystems and water quality.

I agree to participate in mediation or other alternative dispute resolution of the proceedings
